foundations of two reinforced concrete buildings. A 30 km stretch of road between Snina and Velky Berezny (\$49/A25) is being widened to 12 m by the Czechoslovak Building Works (CsSZ). About 100 workers are employed in two groups working from either end of the project. The road connects Snina and Velky Berezny via Stakein, Kolonica, Ladomirov and Ubla. No Soviet officers or civilians have been observed working on this project or on the construction of the factory.

- Anti-aircraft artillery training courses are held in Bela nad Cyrochou (R49/E96), and training in infantry and heavy artillery weapons is being held on a large range at Porubka-Vyhorlat.
- 5. In January 1951, 400 soldiers from the military unit in Kezmarok (R50/D79) were transferred to Podolinec (R50/I80). It is believed that they belong to an artillery unit.\*

\* Comment: The 203rd (or 103rd) Artillery Regiment is held in Kezwarok. 25X1
